1 YEAR LIMITED WARRANTY

Sunbeam Products, Inc. doing business as Jarden Consumer Solutions or if in Canada, Sunbeam Corporation (Canada) Limited doing business as Jarden Consumer Solutions (collectively “JCS”) warrants that for a period of one year from the date of purchase, this product will be free from defects in material and workmanship. JCS, at its option, will repair or replace, at no charge, this product or any component of the product found to be defective during the warranty period. Replacement will be made with a new or remanufactured product or component. If the product is no longer available, replacement may be made with a similar product of equal or greater value. This is your exclusive warranty. Do NOT attempt to repair or adjust any electrical or mechanical functions on this product. Doing so will void this warranty.

This warranty is valid for the original retail purchaser from the date of initial retail purchase and is not transferable. Keep the original sales receipt. Proof of purchase is required to obtain warranty service. JCS dealers, service centers, or retail stores selling JCS products do not have the right to alter, modify or in any way change the terms and conditions of this warranty.

This warranty does not cover: Acts of God, such as fire, flood, hurricanes and tornadoes.

What are the limits on JCS’s Liability?

JCS shall not be liable for any incidental or consequential damages caused by the breach of any express, implied or statutory warranty or condition.

JCS shall not be liable for any damages of any kind resulting from the purchase, use or misuse of, or inability to use the product including, special, consequential or similar damages or loss of profits, or for any breach of contract, fundamental or otherwise, or for any claim brought against purchaser by any other party.

Some provinces, states or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from province to province, state to state or jurisdiction to jurisdiction.

How to Obtain Warranty Service

In the U.S.A., this warranty is offered by Sunbeam Products, Inc. doing business as Jarden Consumer Solutions, located at Jarden Consumer Solutions, PO Box 3900, Peoria IL 61614. In Canada, this warranty is offered by Sunbeam Corporation (Canada) Limited doing business as Jarden Consumer Solutions, located at 20 B Herford Street, Brampton, Ontario L6Y 0M1. If you have any other problem or claim in connection with this product, please write our Consumer Service Department. PLEASE DO NOT RETURN THIS PRODUCT TO ANY OF THESE ADDRESSES OR TO THE PLACE OF PURCHASE.
IMPORTANT SAFETY INSTRUCTIONS

1. Read all instructions before using this appliance. When using electrical appliances, basic safety precautions should always be followed, including the following:

2. Do not use outdoors.
3. Do not let the cord hang over the edge of a table, counter, or table as this may result in an electrical shock.
4. Do not operate any appliance with a damaged cord or plug. If the plug is damaged, it should be replaced as described in the Operating Instructions. Replace only with a plug of the same design and rating.
5. Unplug from outlet when not in use, when moving plug or cord. Outlet of the appliance manufacturer may cause hazards.
6. Avoid contact with moving parts.
7. Do not operate in the presence of explosive and/or flammable gases.
8. Do not expose the fan to rain or moisture.
9. Do not operate any appliance with a damaged cord or plug. If the plug is damaged, it should be replaced as described in the Operating Instructions. Replace only with a plug of the same design and rating.
10. Do not operate any appliance with a damaged cord or plug. If the plug is damaged, it should be replaced as described in the Operating Instructions. Replace only with a plug of the same design and rating.
11. The use of attachments not recommended or sold by the appliance manufacturer may cause hazards.
12. Do not let the cord hang over the edge of any table, counter, or table as this may result in an electrical shock.
13. Do not use outdoors.
14. Do not operate any appliance with a damaged cord or plug. If the plug is damaged, it should be replaced as described in the Operating Instructions. Replace only with a plug of the same design and rating.
15. Always use on a dry, level surface.
16. Do not operate fan until fully assembled with all parts properly in place.
17. This product employs overload protection (fuse). A blown fuse indicates an overload or short-circuit situation. If the fuse blows, unplug the product from the receptacle or other outlet device. Do not unplug by pulling on cord.
18. This product is intended for household use ONLY and is not for commercial or industrial applications.
19. WARNING: Do not use this fan in or near the sink or bathroom, or any other location that is exposed to water.
20. This product employs overload protection (fuse). A blown fuse indicates an overload or short-circuit situation. If the fuse blows, unplug the product from the receptacle or other outlet device. Do not unplug by pulling on cord.

SAFETY INSTRUCTIONS

1. Set fan on a dry, level surface.
2. Plug cord into any standard 120 volt AC outlet. Please read and save these important safety instructions.
3. Use a soft cloth moistened with a soap solution to clean the front and rear grills.
4. Do not use any of the following as a cleaner:
   • Vapors or steam
   • Paint removers or metal polishers
   • Abrasive cleansers
   • Abrasive pads
   • Pumice stones
   • Baking soda
   • Ammonia
   • Sanitary wipes

CLEANING / MAINTENANCE

1. Unplug your fan. Grasp plug and remove from the receptacle or other outlet device. Do not unplug by pulling on cord.
2. Open hood. Grasp top of the hood by using your thumb or a flathead screwdriver to slide the cover down to the prongs.
3. Place plug on a solid, flat surface. Insert new 5 Amp, 125 Volt fuse. A. Fan Head
   B. Tilting Adjustment
   C. Fan Base

ADJUSTMENT INSTRUCTIONS

Wall Mounting Instruction

1. Use the mounting location guide below as a template to outline the hole locations.
2. Using a 1/4 inch (0.6cm) drill bit, drill pilot hole through the wall.
3. Insert 1/4 inch (0.6cm) plastic anchors into the holes.
4. Screw in two #8-15 x 1-1/4 inch (0.6cm) screws through the two holes in the base.
5. Hang the fan onto the screws.
6. Hardware not included with fan.

FAN CLEANING

1. Unplug your fan. Grasp plug and remove from the receptacle or other outlet device. Do not unplug by pulling on cord.
2. Unscrew fan head. Grasp top of the hood by using your thumb or a flathead screwdriver to slide the cover down to the prongs.
3. Place plug on a solid, flat surface. Insert new 5 Amp, 125 Volt fuse.
4. Slide fuse cover closed completely. If fuse cover is difficult to close, make sure fuse is secured in place properly. Push down on metal ends of the fuse to close the compartment. CAUTION: Risk of fire. Replace fuse only with 5 Amp, 125 Volt fuse. A. Fan Head
   B. Tilting Adjustment
   C. Fan Base

CLEANING / MAINTENANCE INSTRUCTIONS

Follow these instructions to correctly and safely care for your fan. Please remember:

FAN CLEANING

1. Unplug your fan. Grasp plug and remove from the receptacle or other outlet device. Do not unplug by pulling on cord.
