FILTER CLEANING

To reinstall the permanent filter after cleaning:
1. Install the cleaned filter into the air purifier housing
2. Make sure any plastic packaging was removed from the filter before replacing it into the air purifier housing.
3. Close the base air inlet grill onto the unit until you hear a click.

TROUBLESHOOTING

Problem

Solution

• Dust will not operate.

• Check if air is properly plugged in and outlet is energized.

• Make sure unit is turned off before cleaning.

• Make sure filter is properly cleaned and rear grill is seated correctly.

• Blockage in air flow.

• Open the base air inlet grill and make sure that any plastic packaging was removed from the filter before replacing it.

• Open the base air inlet grill and make sure that any plastic packaging was removed from the filter before replacing it.

• The filter check indicator will not reset.

• Make sure filter is properly installed and rear grill is seated correctly.

• The filter check indicator will not reset.

• Make sure filter is properly installed and rear grill is seated correctly.

• Self-Test light is blinking.

• Make sure unit turned ON.

• Check if unit is properly plugged in and outlet is energized.

• Decreased air flow.

• Check condition of the filter and clean if necessary.

• Check condition of the filter and clean if necessary.

• Unit will not operate.

• Check if unit is properly plugged in and outlet is energized.

• Make sure unit turned ON.

• Check if unit is properly plugged in and outlet is energized.

• Open the base air inlet grill and make sure that any plastic packaging was removed from the filter before replacing it.

• Open the base air inlet grill and make sure that any plastic packaging was removed from the filter before replacing it.

• Install the cleaned filter into the air purifier housing

• Ensure the base air grill inlet is lined up with the Lock icon (CLOSE-UP)

• Make sure parts are firmly positioned in place.

• Line up the Lock icon (CLOSE-UP) on the base of air inlet grill with the power cord outlet below the power cord outlet on the rear side of the air purifier housing. Ensure the base grill is seated correctly.

• The filter check indicator will not reset.

• Make sure filter is properly installed and rear grill is seated correctly.

• The filter check indicator will not reset.

• Make sure filter is properly installed and rear grill is seated correctly.

WARRANTY INFORMATION

3 YEAR LIMITED WARRANTY
Sunbeam Products, Inc. doing business as Jordan Consumer Solutions, or in Canada, Sunbeam Corporation (collectively referred to as “JCS”) warrants this product to be free from defects in material and workmanship for three years from the date of original purchase by the original consumer purchaser. JCS shall, at its option, repair or replace this product or any component of the product which proves to be defective during the warranty period. Replacement will made with a new or a reconditioned product or component. If the product is no longer available, replacement may be made with a similar product of equal or greater value. This is your exclusive remedy. JCS shall not be liable for any damages of any kind resulting from the purchase, use or misuse of, or inability to use the product including incidental, special, consequential or similar damages or loss of profits, or for any breach of warranty or condition. JCS shall not be liable for any incidental or consequential damages caused by the breach of any express, implied or statutory warranty or condition.

EXCLUSIONS AND LIMITATIONS

This warranty does not cover normal wear of parts or damage resulting from any of the following: negligent use or misuse of the product, use on improper voltage or current, use contrary to the operating instructions, disassembly, repair or alteration by anyone other than JCS or an authorized JCS service center. Further, the warranty does not cover: Acts of God, such as fire, flood, hurricanes and tornadoes. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state or jurisdiction to jurisdiction.

How to Obtain Warranty Service

In the U.S.A., this warranty is offered by Sunbeam Products, Inc. doing business as Jordan Consumer Solutions, located at 20 B Hereford Street, Brampton, Ontario L6Y OM1. If you have any questions regarding this warranty or would like to obtain warranty service, please call 1-800-546-5637 and a convenient service center address will be provided to you. In Canada, if you have any questions regarding this warranty or would like to obtain warranty service, please call 1-800-546-5637 and a convenient service center address will be provided to you.

**IMPORTANT SAFEGUARDS**

When using electrical appliances, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and injury to persons. These precautions include:

1. Read all instructions before using the appliance.
2. Do not touch hot surfaces.
3. Do not operate any appliance with a damaged cord or plug, or after the appliance malfunctions, or is dropped or damaged in any manner.
4. Check the cord and the plug before using the appliance. Do not use if the cord or the plug is damaged.
5. Do not let cord hang over edge of table or counter, or touch hot surfaces, including stove and radiator.
6. Do not open grill or change the filter while the unit is on or hot.
7. Always unplug the air purifier before moving or cleaning the unit, opening the grill, changing the filter, and cleaning any part of the appliance.
8. NEVER place on or near a hot gas or electric burner, or in a heated oven.
9. To avoid fire or shock hazard, plug the appliance directly into a 120V AC electrical outlet. Do not use outdoors.
10. NEVER place on soft surfaces such as a bed or sofa, or台面 or tabletop. This is caused by negative ions exiting the air purification system.
11. NEVER attempt to repair or adjust any electrical or mechanical parts of the appliance.
12. NEVER place on a soft surface such as a bed or sofa, or near a fire hazard.
13. NEVER place on a soft surface such as a bed or sofa, or near air inlet or outlet grills.
14. NEVER place on a soft surface such as a bed or sofa, or near a heat register, radiator, stove, or heater.
15. NEVER place on a soft surface such as a bed or sofa, or near an extension cord.
16. NEVER place on a soft surface such as a bed or sofa, or near any heat source.
17. NEVER place on a soft surface such as a bed or sofa, or near any heat source.
18. NEVER place on a soft surface such as a bed or sofa, or near any heat source.
19. NEVER place on a soft surface such as a bed or sofa, or near any heat source.
20. NEVER place on a soft surface such as a bed or sofa, or near any heat source.

**SAFETY INSTRUCTIONS**

**WARNING:**

- Do not put the appliance near or over a radiator, stove, or other heat sources.
- Do not use near any flammable materials.
- Do not use near any electrical equipment.
- Do not use near any water sources.
- Do not use near any cooking appliances.
