### Warranty Information

#### 3 Year Limited Warranty

Sunbeam Products, Inc., doing business as Holmes Consumer Solutions, 365 Main Street, Boca Raton, Florida 33431, guarantees that for a period of three years from the date of original purchase, this product will be free from defects in material and workmanship. JCS, at its option, will repair or replace this product or any component of the product found to be defective during the warranty period. Repairs will be made with a new or refurbished product or component if the product or component is not available, replacement may be made with a product of equal or greater value. This is your exclusive warranty. Before requesting repairs or returning the unit to the manufacturer, please call 1-800-546-5637 and a convenient service center address will be provided to you.

If you have any questions regarding this warranty or would like to obtain warranty service, please call 1-800-546-5637 and a convenient service center address will be provided to you.

In Canada, this warranty is offered by Sunbeam Corporation (Canada) Limited doing business as Holmes Consumer Solutions (Canada) Limited doing business as Holmes Consumer Solutions, located in Room 203, 1000 Bloor Street East, Toronto, Ontario M4W 1A6. This warranty is offered by Sunbeam Corporation (Canada) Limited doing business as Holmes Consumer Solutions, located in Room 203, 1000 Bloor Street East, Toronto, Ontario M4W 1A6.

Keep the original sales receipt. Proof of purchase is required to obtain warranty performance. JCS dealers, service centers, or retail stores selling JCS products do not have the right to alter, modify or any way change the terms and conditions of this warranty. This warranty does not cover normal wear of parts or damage resulting from any of the following: negligent use or misuse of the product, use on improper voltage or current, use contrary to the operating instructions, disassembly, repair or replacement of any component of the product, use for other than the intended purpose, use contrary to the instructions contained in this manual, or any malfunction of the product caused by these conditions, including failure to change filters and perform routine maintenance. What are the limits of JCS’s Liability?

JCS shall not be liable for any incidental or consequential damages caused by the breach of any express, implied or statutory warranty or condition. Except to the extent prohibited by applicable law, any implied warranty or condition of merchantability or fitness for a particular purpose is limited in duration to the duration of the above warranty. JCS disclaims all other warranties, conditions or representations, express, implied, statutory or otherwise. JCS shall not be liable for any damages of any kind resulting from the purchase, use or misuse of, or inability to use this product including incidental, special, consequential or similar damages or loss of profits, or for any breach of contract, negligence, or by any other legal theory.

What are the limits on JCS’s Liability?

This warranty is valid for the original retail purchaser from the date of initial retail purchase and is not transferable. Replacement will be made with a new or remanufactured product or component. If the product is no longer available, replacement may be made with a product of equal or greater value. This is your exclusive warranty. Do NOT return this product to ANY of these addresses or to THE PLACE OF PURCHASE.
IMPORTANT SAFEGUARDS

When using electrical appliances, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and injury to persons. These precautions include:

1. Read all instructions before using the appliance.
2. Do not use outdoors or in areas where gasoline, paint, thinners, or other flammable liquids or gases are kept, stored, or used. The appliance is not intended for use directly on or near any flammable surfaces.
3. Do not cover the appliance or place it in a confined space while in use.
4. Do not operate any appliance with a damaged cord or plug.
5. To protect against electrical hazards, do not immerse in water or other liquids.
6. When using electrical appliances, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and injury to persons. These precautions include:
7. Do not use appliance only for intended household use as this could cause the unit to overheat and block the air outlet.
8. Do not place on or near surfaces that are hot or cold.
9. Do not use near water.

CARE SAFETY

- The length of cord used on this appliance may be too long or too short. If the cord is too long, use an extension cord marked as carton steam generator. If the cord is too short, use a cord marked as extension cord. If you need to move, be sure to unplug the appliance.
- Do not attempt to repair or adjust any electrical or mechanical parts of your appliance. Service should be performed only by an authorized Service Center.
- Do not remove plastic bag before use.

KNOW YOUR AIR PURIFIER
This appliance should only be used in a room with temperatures between 40° F and 110° F.

FEATURES - OPERATIONS

Cord Safety
- If a longer cord is necessary, an approved extension cord marked as extension cord may be used so that the appliance will not smoke, overheat, or create a fire hazard. These cords are designed to mate with properly grounded outlets that can supply the necessary current. Be sure to replace the old cord with a new cord of the same type before using the appliance.

Cord Protection
- If a cord protector is needed, plug the appliance into a correctly wired, grounded outlet. Be sure the cord is not draped over a table or counter, where it could be pulled or tripped over. Be sure the cord is not pinched between the appliance and a wall, or a cabinet or other furniture. Do not use the appliance if the cord is frayed or damaged.

Cord Maintenance
- If a cord protector is needed, plug the appliance into a correctly wired, grounded outlet. Be sure the cord is not draped over a table or counter, where it could be pulled or tripped over. Be sure the cord is not pinched between the appliance and a wall, or a cabinet or other furniture. Do not use the appliance if the cord is frayed or damaged.

Cord Replacement
- Do not attempt to modify the plug or defeat the safety features of the plug. Do not attempt to repair the plug.

FEATURES - OPERATIONS

Safety in Use
- When using electrical appliances, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and injury to persons. These precautions include:
- Do not attempt to modify the plug or defeat the safety features of the plug.
- Do not attempt to repair the plug.
- Do not attempt to repair or adjust any electrical or mechanical parts of your appliance. Service should be performed only by an authorized Service Center.
- Do not remove plastic bag before use.

Warning:
- The following are specific warnings to reduce fire and electric shock hazards. Do not use your air purifier in a location where you may come in contact with the filter(s) while using the machine. Do not use with any solid-state smoke alarm, or other solid-state smoke alarm, or other types of smoke alarm that are connected to the smoke alarm system. Do not use with any solid-state smoke alarm, or other solid-state smoke alarm, or other types of smoke alarm that are connected to the smoke alarm system.
- Do not use near water.
- Do not use with any solid-state smoke alarm, or other solid-state smoke alarm, or other types of smoke alarm that are connected to the smoke alarm system.

Cleaning/Maintenance Instructions

1. Change filters every 4 months. Refer to the Air Purifier Model Number or the Filter Change Reminder to determine the correct filter to use. The filter(s) can be purchased at a retailer near you, online at www.Aer1®filters.com, or by calling (855) Try-Aer1®.
