CLEANING & MAINTENANCE

4. To clean the HEPA-type permanent filter, remove the dirty filter. Using your vacuum cleaner, remove the loose debris. Using a soft brush attachment, clean both sides of the filter and grille (Figure 4). After cleaning, reinstall the grille securely. (See Galaxy figure.) Replacement parts are available by calling 1-800-546-5637.

NOTE: All filters and the grill must be properly installed in the unit to ensure that the grill is not properly fitted, the unit will not operate.

TROUBLESHOOTING

TIPS AND TROUBLESHOOTING

Problem: Solution

• Unit will not operate

✔ Unit is firmly seated in place. (See Figure 1.)

✔ Clean both sides of the filter to ensure it is properly seated.

✔ Make sure that the filter is properly seated. (See Figure 5.)

✔ Confirm that the rear grill is latched firmly in place.

• Upto 3 years of use

✔ The unit has safety features in place to ensure the unit is ready for operation:

✔ Make sure all parts are firmly seated in place.

✔ Remove the plastic bags from filters.

✔ Check condition of filters and clean/replace if necessary.

✔ Make sure unit is turned on.

• No UV bulb illumination

✔ Ultraviolet-C light is emitted from the bulb when the power is turned on. If there is no light from the bulb, DO NOT attempt under any circumstance to clean the UV bulb. DO NOT attempt to remove the UV bulb as risk of electrical shock. The UV bulb contains mercury. If the bulb breaks, DO NOT attempt to remove the UV bulb as risk of damage to the bulb and UV lamp holder. The unit has safety features in place to ensure the unit is ready for operation. To replace the bulb, carefully remove the bulb from the lamp holder and replace with a new one. The factory UV bulb is replaced by Sunbeam Products, Inc. Doing business as Jarden Consumer Solutions.

• Cleaning and Maintenance

✔ UV bulb warnings: DO NOT attempt to remove the UV bulb as risk of electrical shock. The UV bulb contains mercury. If the bulb breaks, DO NOT attempt to remove the UV bulb as risk of damage to the bulb and UV lamp holder. The unit has safety features in place to ensure the unit is ready for operation. To replace the bulb, carefully remove the bulb from the lamp holder and replace with a new one. The factory UV bulb is replaced by Sunbeam Products, Inc. Doing business as Jarden Consumer Solutions.
