3 YEAR LIMITED WARRANTY

Sunbeam Products, Inc. doing business as Jarden Consumer Solutions or if in Canada, Sunbeam Corporation (Canada) Limited, doing business as Jarden Consumer Solutions (collectively "JCS") warrants that for a period of three years from the date of purchase, this product will be free from defects in material and workmanship. JCS, at its option, will repair or replace this product or any component of the product found to be defective during the warranty period. Replacement will be made with a new or remanufactured product or component. If the product is no longer available, replacement may be made with a similar product of equal or greater value. This is your exclusive warranty. Do NOT attempt to repair or adjust any electrical or mechanical functions on this product. Doing so will void this warranty.

This warranty is void if the original retail purchaser from the date of initial retail purchase and is not transferable. Keep the original sales receipt. Proof of purchase is required to obtain warranty performance. JCS dealers, service centers, or retail stores selling JCS products do not have the right to alter, modify or any way change the terms and conditions of this warranty.

This warranty does not cover normal wear of parts or damage resulting from any of the following: negligent use or misuse of the product, use on improper voltage or current, use contrary to the operating instructions, disassembly, repair or alteration by anyone other than JCS or an authorized JCS service center. Further, the warranty does not cover: Acts of God, such as fire, flood, hurricanes and tornadoes.

What are the limits on JCS’s Liability?

JCS shall not be liable for any incidental or consequential damages caused by the breach of any express, implied or statutory warranty or condition.

Except to the extent prohibited by applicable law, any implied warranty or condition of merchantability or fitness for a particular purpose is limited in duration to the duration of the above warranty. JCS disclaims all other warranties, conditions or representations, express, implied, statutory or otherwise. JCS shall not be liable for any damages of any kind resulting from the purchase, use or misuse of, or inability to use the product including incidental, special, consequential or similar damages or loss of profits, or for any breach of contract, fundamental or otherwise, or for any claims brought against purchaser by any other party.

Some provinces, states or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights that vary from province to province, state to state or jurisdiction to jurisdiction.

PLEASE DO NOT RETURN THIS PRODUCT TO ANY OF THESE ADDRESSES OR TO THE PLACE OF PURCHASE.
IMPORTANT SAFEGUARDS

1. Read all instructions before using the appliance.
2. This appliance is for household use only.
3. DO NOT attempt to repair or adjust any electrical or mechanical functions on this unit. Doing so may result in electrical shock, fire hazard, or damage to the product.
4. Keep the cord out of heavy traffic areas. To avoid electrical shock or damage to the cord, do not allow it to be thrown around or pinched, especially at the plug, outlet, and the point where the cord exits the unit.
5. DO NOT immerse the appliance in water or other liquids. Do not use near water.
6. DO NOT operate any appliance with a damaged cord or plug. If the motor fan fails to operate or the unit has been dropped or damaged in any manner, return it to the nearest authorized service facility for examination before use.
7. Always unplug the air purifier before moving or the filter and whenever the unit is not in use. To help prevent particles from attracting to surfaces throughout the home, like walls or floors.
8. NEVER drop or insert any objects into the openings of the air inlet or outlet grills.
9. DO NOT operate any appliance with a damaged cord or plug. If the unit contains no user serviceable parts. All service should be referred to the nearest authorized service facility.
10. Use appliance only for intended household use as recommended by the manufacturer may cause fire, electric shock, or damage to the product.
11. Always keep any electrical outlet, this product and power cords a safe distance from flammable materials when using the air purifier.
12. NEVER place on a soft surface such as a bed or sofa. The ionizer in this appliance produces less ozone than the ionizer in many household air purifiers.
13. Keep a fire extinguisher handy while using this appliance.
14. The ionizer in this appliance produces less ozone than the ionizer in many household air purifiers.
15. The ionizer in this appliance produces less ozone than the ionizer in many household air purifiers.
16. The ionizer in this appliance produces less ozone than the ionizer in many household air purifiers.
17. The ionizer in this appliance produces less ozone than the ionizer in many household air purifiers.
18. The ionizer in this appliance produces less ozone than the ionizer in many household air purifiers.

FEATURES - OPERATIONS

CORD SAFETY

The length of cord used and the extension used was selected to reduce fraying or tangling before use. If a longer cord is necessary, use an extension cord marked with a UL listing mark (Fig. A). Using an extension cord rated for the load in watts will reduce the risk of electrical shock or damage to the cord.

IONIZER

This appliance has an optional ionizer feature which, when turned on, releases negative ions into outgoing filtered air to help the air purification process. To reduce the risk of fire or electric shock,

filtered air to help the air purification process.

14. The ionizer in this appliance produces less ozone than the ionizer in many household air purifiers.

15. The ionizer in this appliance produces less ozone than the ionizer in many household air purifiers.

16. The ionizer in this appliance produces less ozone than the ionizer in many household air purifiers.

17. The ionizer in this appliance produces less ozone than the ionizer in many household air purifiers.

18. The ionizer in this appliance produces less ozone than the ionizer in many household air purifiers.

19. DO NOT attempt to wash and re-use the HEPA-type filter.

20. Do not attempt to wash or reuse the filter. Filters can be purchased at a retailer near you, online at www.holmesproducts.com.

FILTER REPLACEMENT INSTRUCTIONS

Before Use:

1. Carefully unpack your Air Purifier. Select a firm level surface that raises up 6” above the floor. For quieter operation (such as in a bedroom), select the ionizer knob to ON (one blade is wider than the other) setting to quickly filter the air.

2. If the filter is covered by a bag when shipped, remove the bag and discard it.

3. DO NOT attempt to wash or reuse the filter.

NO filters are supplied for a filter.

To replace your filter:

1. Turn off and unplug the air purifier.

2. Carefully unpack the new filter. The new filter will be on the inside of the package.

3. Carefully unpack the new filter. The new filter will be on the inside of the package.

4. Insert the new filter into the back of the air purifier.

5. Replace the air inlet grill.
